Appointment Scheduling Sample

Virtual Assistant Portfolio | Fictional appointment tracker

Project overview

This example demonstrates a simple appointment tracker. All customer names, contact details, and appointments are fictional and created for portfolio demonstration only.

Date	Time	Client	Appointment	Status
Nov 12, 2026	9:00 AM	Alex Rivera	Initial consultation	Pending confirmation
Nov 12, 2026	10:30 AM	Jamie Cruz	Follow-up visit	Confirmed
Nov 13, 2026	1:00 PM	Taylor Santos	Service inquiry	Pending confirmation
Nov 14, 2026	2:30 PM	Morgan Reyes	Consultation	Confirmed

Scheduling checklist

- Confirm the requested service and preferred time.
- Check availability before confirming.
- Record the appointment accurately.
- Send confirmation using the business's approved process.
- Keep customer information private and share it only with authorized staff.
